

# Nolensville Sports Arena

## 3v3 Soccer Rules

- Game length will be 20 minutes; the referee will keep the official time.
- Maximum of three field players allowed. Minimum of two field players.
- Scoring will be allowed from any part of the field.
- The list of Not-Allowed is as follows: **NO** goalies; **NO** slide tackling; **NO** throw-ins; **NO** heading; and **NO** player may touch the ball in the goal box. Slide tackling will result in an automatic free kick (even slide is accidental) or a penalty kick. This is at the discretion of the referee. Touching the ball inside the box will result in a penalty kick in all cases. The purpose is to prevent any field player from acting like a goalie.
- Substitutions will only be allowed at a dead ball.
- All dead ball sideline kick-ins, kick offs and free kicks are INDIRECT kicks. Corner kicks and Penalty kicks are direct kicks.
- In all dead ball situations, the opposing player must stand five yards from the ball.
- If a free kick is awarded within five yards of the goal box, the ball will be moved back to five yards from the box. It is at the referee's discretion where the ball gets placed.
- Goal kicks can be taken from any place on the out of bounds end-line – not the goal box.
- If the ball comes to a stop inside the goal box, without going into the goal, it will result in an automatic goal kick for the defending team regardless of who touched it last.

### Extra Items:

- Teams will be given five minutes from the designated start time before the referee will award a forfeit to the other team.
- Three points awarded for a win and One point for a tie.
- Top two teams in each division will play in a 30-minute final for the League Championship.
